👤 PROFILE

- Student in Concordia University's Early Childhood and Elementary Education Program.

🎓 EDUCATION

📌 Bachelors in Arts with a Specialization in Early Childhood and Elementary Education, Concordia University, Montreal, Qc.

September 2017 — Present

Concordia's ECEE program is highly competitive. We put in many hands-on hours and work alongside professionals who encourage expression and critical thinking.

📌 DEC in Human Science: Education Option, CEGEP: Champlain College Saint-Lambert, Saint-Lambert, Qc.

August 2015 — May 2017

- This program focused on the education and development of the child.
- I graduated with honors.

👥 INTERNSHIPS

📌 Kindergarten Student Teacher at Good Shepherd School, Brossard, Qc

September 2020 — November 2020

Through the Concordia ECEE program, I took part in a Kindergarten practicum. During this internship, I learned:

- Class management
- Time management
- Communication skills
- Understanding of Quebec's Kindergarten curriculum
- Child development

📌 Grade 1 Student Teacher at Terry Fox, St-Hubert, Qc

January 2021 — February 2021

In the fourth internship of the ECEE program, I took part in a Primary practicum. During this internship, I learned how to:

- Plan and implement cross-curricular unit
- Time manage
- Incorporate inclusive education
- Use online elementary school resources
- Team build
- Follow the Elementary Quebec Education Program for cycle one

📁 EMPLOYMENT HISTORY

📌 Special Education Specialist at Camp de Jour Alextra, Saint-Alexandre, Qc

April 2020 — August 2020

- Hired to help with children who have special needs and behavioural challenges.
- Helped with the counselors and attendant with the students who needed more attention.
- Worked with the Camp Chef and Camp Organizer to develop new management methods for the children.
- Developed self regulation practices for children with anger management and opposition disorders.

Cashier / Production Assistant at L'Érable au Fil du Temps, Saint-Ignace-de-Stanbridge, Qc.

June 2018 — April 2020

- My responsibilities included being a cashier in markets and food truck services, helping in the production of different products (maple butter, maple cones, vinaigrette, etc.), packaging products, cleaning and the assembly of gift boxes.
- Provided me with communication and collaboration skills.
- Allowed me to discover new working environments and how to work with different people.

Lunch Time Monitor at Courtland Park International - Riverside School Board , Saint-Bruno-de-Montarville, Qc.

January 2019 — March 2020

- It gave me skills and responsibilities in classroom management.
- Development of relationships with students.
- Collaborative skills with school staff, secretary, and teachers.

Substitute at Riverside School Board

September 2019 — Present

- Gives me a chance to put my education into practice.
- Replaced in many different classes which provided me with opportunities to learn about age and grade differences.
- Develops classroom responsibility and management.
- The teachers trust me to present new concepts and review past material with the students.
- Allows me to develop my teaching style.
- Provides connections with schools and teachers.
- Gives me opportunities to understand child development theories in real-life experiences.

Attendant at Courtland Park International - Riverside School Board, Saint-Bruno-de-Montarville, Qc.

October 2015 — June 2019

- I started volunteering as an additional classroom aid and as a volunteer tutor in 2015.
- I worked alongside resource teachers and classroom teachers to help children who needed more assistance in class and coded students.
- I started a computer program for coded children (children with learning disabilities), where I helped them type and understand the educational programs they could use.
- In 2017, I worked as an aid / attendant to help children who were coded.
- I mainly worked with children with autism, ADHD and dyslexia.
- I acquired skills in lesson planning, organization and social and emotional learning.

Chef / Apartment Care Taker at Manoir Philipsburg , Philipsburg, Qc.

February 2016 — February 2018

- I gained respect and patience for different individuals.
- It gave me perspective on different experiences.
- Working with elders has allowed me to strengthen my collaborative skills.

COURSES

Certified in Standard First Aid and CPR, Canadian Red Cross

October 2018 — October 2021

First Aid/ Daycare/ Severe Allergic Reaction, Heart and Stroke Foundation

March 2019 — March 2022

EXTRA-CURRICULAR ACTIVITIES

Farm Animal Caretaker at Ferme Deringer JS, Pike River, Qc

January 2010 — Present

Family owned farm, where my siblings and I help with the animal and crop jobs. With this activity, I have learned:

- Caring for animals
- Financial skills
- Cleaning skills
- Responsibility for other beings
