

April 15, 2021

Dear parent(s) / guardian(s),

My name is Alison Deringer. I am a student in the Early Childhood and Elementary Education Program at Concordia University. This March and April I have been given the opportunity to be the student teacher in your child's classroom, with the support of Ms. Wong. I have been at St. Mary's since March 15th, 2021. I will be there until the first week of May.

So far, I have started a pastel project in Art. I have also covered Cells in Science, and plan to start experiments. In English, we have continued the novel Refugee, and I will be looking at types of writing and reading responses with the class. We will also be examining Social Justice. I have been welcomed very warmly into the class and enjoy working with your child. I am looking forward to helping them grow and learn together.

As I am building my teaching portfolio for my future employment, I will be required to take pictures of the activities done with the students. To respect the confidentiality of your child, I have placed a consent form at the bottom of this letter. The consent form is to allow pictures and video of your child to be taken during my lessons. These photographs and videos may be seen on my online ePortfolio, which only my University professors have access to.

Thank you for the opportunity to learn and teach with your support.

Sincerely,

Alison Deringer
